**COMMENTS ON EXAMINER'S REASONS FOR ALLOWANCE**

Examiner:

Please consider the following remarks.

**REMARKS**

Applicants appreciate the Examiner's issuance of the Notice of Allowability.

By Examiner's amendment, Claim 34, renumbered Claim 25, was amended to delete the word "about" appearing prior to the phrase "1 degree", resulting in the phrase "a range of about 0 to about 1 degree". While the amendment is acceptable, Applicants note that Claims 31 and 33 included similar limitations which were not amended. Thus, respectfully, the amended is believed to be arbitrary, having no effect on the scope of Claim 34 relative to the previous version.

Entry of the remarks is respectfully requested.

Respectfully submitted,

Dated: September 4, 2007
